## ONE HUNDRED YEARS

To you  
O Abbot,  
now we bring  
glad tribute,  
and your praises sing.

The strength of mountains  
in you lies,  
noble thoughts,  
high sacrifice.

A heritage  
of fine ideals  
is yours,  
of lofty purposes, that seals  
your destiny,  
so that you cannot be  
less than your best.

*ABBOT ACADEMY was founded in 1829, the first incorporated school in New England for the education of young women alone. In the Constitution drawn up that year by the first board of Trustees, its purpose is thus stated: "To form the immortal mind to habits suited to an immortal being, and to instill principles of conduct and form the character, for an immortal destiny." This purpose has for more than one hundred years controlled the policy of the school.*
